SUBSCRIPTIONS TO THE EVENING WORLD

The Evening World Prints Associated Press News.

---REPEAL THE WHOLE LAW.

should provide for the repeal of the whole

The way to deal with a measure unwise is not to tinker it by lopping off portions of it which could not stand in any event if put to test in the courts.

Ex-Congressman Pennins, of Kansne, cut of all." He calls the organization worse was opened, and I saw its contents for the Fads, Fashions and Fancies That for the State than the plagues of grass- first time. It had been dropped out of a pathy of the people at large.

A Tennessee lawyer, in contempt, degested. fied Judge, Sheriff and deputies, and is still out of jail. He was only doing with

ter to get away from our hospitable shores. While he needn't have hurried on our lock, found out the contents and taken account, Gotham wishes him a more to the woods! I could have got off with prosperous voyage on the City of New the whole boodle and been Mayor of York than he had on the Servia.

A Robeline, La. editor was warned out out of town, Instead of going, he brought thirteen suits for libel. The revengeful spirit will sometimes steal into the breast of the most patient and longsuffering newspaper man.

As was expected by not a few good got her, proves a good deal of an elephant. nities. Except that she hasn't, for us, even the elephant would afford.

told him a few minutes later. It is unnecessary to remark that it wasn't Jersey lightning which hit him.

a merry-go-round this world is.

The question is raised if there is no end to Ohio's natural gas. Probably not until Major McKinker's tariff campaign in over.

The sun at Carlow set on another of Mr. PARKELL's dead hopes. And still he is unconvinced.

Economy is Wealth.

Romeo Ticounter-Good gracious! what do you mean by lying around the house rigged Raggsby de Jaggs (sadiy)—I'm saving up my Summer clothes, old man!

Her Idea of It. [From the Christian Union.]

A bright ten-year-old girl, whose father is

addicted to amateur photography, attended a trial at court the other day for the first time. This was her account of the judge's charge:

"The judge made a long speech to the jury of twelve men and then sent them off into a little dark room to develop."

Bather Have the Settlement.

[From an Exchange,]
Donner-I sent you \$1,500 worth or goods last Monday, and here you are to-day trying to settle at 10 per cent.

Elliaes—Your goods are all right. You can remevin them.

Louner-What! You can keep the goods.

Letums have the 10 per cent.

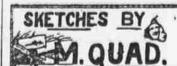

Plastic, but Predisposed.

Setting the Example.

(From an Exchange.) "You young scoundred," said the father. seizing his disobedient son by the neck, "I'll show you how you ought to treat your mother?" And he gave him several bangs of the turn, and then shook him till his hair to gan to fall out.

She Escaped a Punster.

"Clara-Miss Simplifies," he murmured, as when you think of a little road where we used to wander in the happy month of July, eneath the branches of the green trees, I may you think of me. For I am like that little read—a lover simin, and so he passed

A \$14,000 Vagabond. "You wouldn't think, to look me over now, that I had \$14,000 in cash six months ago," observed a tramp, whom I

other day. "Hardly. You must be a high roller." "Yes, I had fourteen packages of greenbacks, counting \$1,000 to a package, my heart ache to think of it!"

'What did you do with it?"

"I'll tell you how it was. I was hoofing it along a highway in Illinois one afternoon last Winter, and I found a small A bill to repeal that portion of the satchel in the road. It was locked, and Previous's schnowledged. Electrocution Law prohibiting the publi- as it was a preity nice article I knew that Mrs. Charles B. Allyn. cation of reports of executions is to be it would be hunted for, and if I didn't A Friend.

Introduced at the next session of the Legislature. It is not broad enough. It as a reward. It was about 2 o'clock in the legislature. the afternoon when I found it, and I carried it until 8 that night, when a farmer Gus Dohm. gave me a bite to eat and allowed me to Baby Dan as to the larger number of its provisions lodge in the barn. I had just got to A Friend sleep when there was a great row. Three men and the farmer came into the barn, and I was hauled off the hayand slatumed THE WAYS OF WOMAN FAIR around and called all sorts of names. THE WORLD: THURSDAY EVENING, JULY 9, 1891.

to Meet Nick Collins.

The New Yorks deemed it wise to do a little did it by defeating Pittsburg. Chicago kept its distance by beating Philadelphia. Brooklyn lost, owing to the easy way in which the Cincinnati players found Terry's curves. The League scores: New York 11, Phtaburg 5; Cincinnati 9, Brooklyn 5; Boston 4, Cleveland 1; Chicago 8, Philadelphia 7. Only one Association game was played, and St. Louis 31 90 took it from Boston by a score of 8 to 7.

New York now has a lead good enough to keep. Glasscock is back with the team, and reports from Buck Ewing grow more en-couraging.

The Gaelic Society Football Club will play a match with the Kleiham Football Club upon the grounds of the former at Tallith, Woodside, L. L. next Sunday afternoon, July 12, at 3 o'clock. They are all ramous Tipperary players, while their opponents may be said to represent "All Ireland." The Shamrock Club, of Troy, will cross cumans with the Gaelie Hurling Club upon the same grounds the following Sunday, July 19.

sawer_Judge Holme, and at the sight became at once very angry.

Planting himself straight in front of exJudge Holme he sail: "Scoundrel!" and spat squarely in his face.

The Judge was on his feet in an instant.
His left hand flew out, aimed at Dr. Fuller's face, but the blow fell short and Dr. Fuller flace, but the blow fell short and Dr. Fuller flace, but the blow fell short and Dr. Fuller flace, but the blow fell short and Dr. Fuller flace of out to blow fell short and Dr. Fuller flace and brown with his height and he is possessed of great strength.

His strong arm can do a great deal of hard hitting, and he says it brought damage on the face and body of Judge Holme, who is much smaller.

The latter is of athlete build however.

The latter went through feorganization the building most dangerously hurt were:

Lewis Riese, age twenty-six, of 13 East One Hundred and Twenty-fourth street. Arm cut off and burned and bruised about the body.

Xavier Wideman, age forty-four, of 228 East Eighty-ninth street Burned on the face and body of Judge Holme, who is much smaller.

Jacob Meyers, aged forty-five, of 12 East One Hundred and Thirty-fourth street, build however.

Jacob Meyers, age twenty-six, of 13 East One Hundred and Druised about the profect in the regular way was 88.

Xavier Wideman, age forty-four, of 228 East Eighty-ninth street Burned on the face and body.

Jacob Meyers, aged forty-five, of 12 East One Hundred and Thirty-fourth street, but the profect of the latter went through form the building most dangerously hurt were:

Lewis Riese, age twenty-six, of 13 East One Hundred and Twenty-fourth street.

Xt. Paul declined about a point, and there was little to encourage the buils in any quarter of the list.

Lake Eric & Western Railrond directors have declared the usual quarterly dividend of 1 per cent, on the profect. All the follow.

It is officially stated that the Lorillard stock was oversubscribed, and that the books were closed at 1 o'clock to-day.

The lefter is of athlete build however. The latter is of athletic build however, wiry, straight and sinewy, a match in skill and strength if not in height, for the hercu-

lean doctor.

The explosion was caused by the presence of some foreign substance between the rollers in the griding roam.

Then pointing to his vanquished and retreating foe, Dr. Fuller is reported to have aid:
"This is ex-Judge Holme. He is a coward

Then he bowed politely, took off his hat and accountred.

Then he bowed politely, took off his hat and applogized to the laddespresent, saying he was unable to restrain himself when he saw "that viliain's face," pointing to Judge Holme, "the man who wrecked my life and rulned my distant.

A large portion of His wrath evidently returned again, for after having delivered himself thus he invited Judge Holme outside to be thrown overboard. Dr. Fuller said that Judge Holme did not get off the boat, but returned to this city, and kept out of his sight, because he was afraid.

o all of which Judge Holme made general To all of which Judge Holme made general denial this morning when seen by an Evra-ing Works reporter at his house, 77 West Fifty-dith street.

If the Judge was used up as badly as Dr. Fuller said he was, he did not show any outward marks of maltreatment.

"I regret very much that this insignificant occurrence has been given publicity.

"Dr. Fuller seems determined to drag his wife's name before the public whenever he can, and he has embraced this opportunity to do so.

do so.

"As for myself, I have followed the policy of silence, and do not intend to say much now, except that Dr. Fuller's statement that he spat in my face, gave me a sound drubbing, and that I was cowed and sneaked away is not true.

"I was sitting in the ferry-boat cabin when Dr. Fuller walked through. He saw me, slowed his pace, stopped, then turned around and walked towards me, evidently to address me. "I didn't give him a chance to do so. When

was in front of me I jumped up and struck m. Wouldn't you do the same under the dist. Wouldn't you do the district which was proposed up to be a freement and was and we exchanged several alows. Then we were separated. That is all there is to it."

"I repeat that Dr. Fuller did not spit in my face. I did not sneak and slink away. Strong was foreman of the malt-washing from in the basement. He had gone upstairs,

return to the city. I got off and walked right alongside Dr. Fuller, and he didn't say another word to me.

"Thinking he was going to have me arrested because I struck him first. I took the precaution to take the names of two deckhands. I then went about my business and returned to the city."

Dr. Fuller lives at Scappingt. N. J. this.

Propositor Exercise Was being shaved in his. returned to the city."

Dr. Fuller lives at Scabright, N. J., this Summer. His office and residence in this city are at 47 West Fittleth street, where his mother and sisters also live.

"It was said there this morning that the doctor returned from Far Rockaway last night and lett for Seabright early this morning.

Mrs. Fuller, the doctor's mother, related the doctor's side of the story substantially as

doctor's side of the story substantially as given above, and as he told it to her, she said. SINGULAR FREIGHT WRECK.

Train Derailed by a Horse Two Men Perhaps Fatally Hurt.

[BY ASSOCIATED PRESS.] COLUMBUS, Ind., July 9.—At 8 o'clock this orning the freight train from this city to Madison ran over a horse in a cut at Rock

Creek water tank, nine miles south of this Ed Fenton, engineer; John Boaz, fireman

Ed Fenton, engineer; John Boaz, fireman:
Jack Kraning, brakeman, and Frank Stillinger were on the engine when it ran over the horse and jumped the track. Boaz jumped and was badly crushed by a box car failing on him, but if not injured too badly internally he may recover.

Fenton, Kraning and Stillinger clung to the engine while it rolled down the embankment about forty feet, turning bottom upward, and the tender landing on top of Kraning, who was very seriously injured. Fenton and Stillinger escaped with a few bruises.

Thirteen heavily laden freight cars rolled down the embankment and were mashed to pieces. The wreck will be a very costly one.

TORNADO'S WORK IN TEXAS.

House Torn to Pieces and a Sleeping Man Carried Far Away. fet associated press.]
Kyle, Tex., July 8.—This place was visited

by an electric storm last night, accompanied

by high winds, rain and hatl. At H. Williams's ranch, two miles from here it, developed into a terrific tornado, the path of which was into a terrific tornado, the path of which was 400 yards wide.

The two-story dwelling occupied by J. T. Hawkins was torn to pieces and the family more or less injured. A man sleeping in the second story was blown out of the top of the house and carried a distance of 200 yards, but escaped without injury. Rocks weighing 100 pounds were hurled several hundred yards by the tornado.

After a Runaway English Girl.

[BY ASSOCIATED PRESS.] BOSTON, July D.—A London detective and a oung man called at Police Headquarters street, met with a horrible death this morning.

He ran his car up to the fourth floor of the building to deliver a bundle, and in jumping back to the car pulled the cord suddenly and was caught and crushed.

A servant who was in the car stopped it, releasing Ryan's body, but letting it fall to the bottom of the shaft.

The fall killed kim. The Coroner was possible to the care of the shaft.

Diameter and dressered design testing to many and as the girl's older brother. Was fastabrook is twenty-one, and was the bottom of the shaft.

Revival of a Successful Opera at

Terrace Garden. An opera entitled "Der Waffenschmied," by Albert Lorizing, that has not been heard in this city for very many years, was revived 433, in this city for very many years, was revived
335, at the delightful Terrace Garden last night,
161, The weather was not exactly suited to gardens and open-air resorts, yet there was an 133 444 was distinctly inclined to be appreciative. The story of "Der Waffenschmied "deals with the love episode in the life of Maria, the 604 daughter of an armorer, and it cannot be said to be bewilderingly original. Count von Liebenau, who wishes to win her love, goes to work in her father's factory. Then he appears as a nobleman and offers her his in love with the humble admirer, and de-fals clines to be tempted by golden promises. She low is, of course, made happy in the end, and sets low out to live peacefully ever afterwards. in love with the humble admirer, and de-3012 Fraulein Englander was Maria and Herr 144 Suinhold the Count von Liebenan. A letter just received in this city from

It is said that several of the gentie Marion Manola's would-be managers were trightened away because she insisted, as one of the terms of the contract, that her new brother-in-law, Lowell Mason, should be in full charge. Her engagement with John Stetson, to star in "the Tar and the Tartar," in the territory unused by Manager Askin, is a surprise to everybody. The question as to who will have Patti next season is perplexing many minds. Will it be Henry E. Abbey, or Marcus Mayer? There are who are willing to bet on the latter.

olden times. But its a dandy drink of this modern time which he suggests. Root Beer made in five minutes with Knapp's Root Beer Extract. 25 cents a bottle. For sale by Druggists

and Grocers.
